The screenshot shows the Jacaranda Finance website interface. On the left, a man in a blue t-shirt points towards the right. On the right, a white panel contains the following text: "Need a cash loan? Jacaranda can connect you to a money lender". Below this, there are two sliders: "CHOOSE LOAN AMOUNT" set to "\$2,500" and "LOAN DURATION" set to "24 Months". A purple "APPLY NOW" button is positioned below the sliders, with the text "Hundreds of applications every day!" underneath it. At the bottom of the panel, it says "Your data is secure" with a lock icon and "Our customer rating" with a Google rating of "4.7/5". A small disclaimer at the very bottom reads: "WARNING: Your lender will determine the exact fees, terms and loan amounts available for you, which may differ from your repayments. Annualised Interest Rates (AIR) could be as high as 620.5% depending on your previous behaviour."
