Teensy

Quick overview

- **Amount:** \$400 - \$5 000
- **Term:** 6 - 26 weeks

The screenshot shows the Teensy website interface. At the top, there is a navigation bar with the Teensy logo, "How it works", "Why use Teensy", "Loans", and "FAQs" links. On the right side of the navigation bar are "Apply Now" and "Login" buttons. The main content area features a large headline: "Because oh-no unexpected need it now happens." Below this, a sub-headline reads: "When \$h!+ happens, we've got your back with a fast and easy short term loan." To the right of the text is a white card with a loan calculator. The card displays "I need \$700" at the top. Below this is a horizontal slider for the loan amount, ranging from \$400 to \$5,000, with a marker at \$700. Underneath the slider, it says "Paid back over 26 weeks" and shows another horizontal slider for the term, ranging from 6 payments to 26 payments, with a marker at 26 payments. The weekly payment amount is displayed as "\$40.84 per week". At the bottom of the card is an orange "Apply now" button and a "Loan Details" link with a dropdown arrow.

A representative example

Loan amount \$700 borrowed and fully repaid after 26 weeks years of

using the loan. Total amount payable = \$1 061.65. The fee would be \$861.65.
